

Third International Barcode of Life Conference Daily Schedule

Thursday, 12 November 2009, Auditorium A: Meso-American Symposium

Session E	
2:00-2:15	Manuel Elias , <i>ECOSUR Chetumal</i> MEXBOL, the Mexican commitment to dna barcodes
2:15-2:30	Patricia Escalante , <i>IBUNAM</i> Development of the academic node of MexBOL at the Institute of Biology of UNAM
2:30-2:45	Robert Bye , <i>IBUNAM Botanical Garden</i> Complimentarily and challenges of DNA bar codes for taxonomic determination of useful plants
2:45-3:00	Virginia Leon , <i>IBUNAM Chamela</i> All Taxa Barcoding Initiative in Chamela-Cuixmala, México
3:00-3:15	Martha Valdéz , <i>ECOSUR Chetumal</i> FISHBOL Strategies in Meso America
3:15-3:30	Adolfo Gracia , <i>Instituto de Ciencias del mar y Limnología, UNAM</i> Crustacean Decapods of the Gulf of Mexico. Superfamily Penaeoidea
3:30-4:00	Coffee Break

Session F	
4:00-4:15	Joaquín Cifuentes , <i>Facultad de Ciencias UNAM</i> Complementing different macrofungi campaigns: taxonomic and regional inventory plus functional group biodiversity studies
4:15-4:30	Andrew Polaszek , <i>Natural History Museum London</i> Barcoding megadiverse Encarsia parasitoids in Mexico
4:30-4:45	Patricia Landaverde , <i>Universidad de San Carlos de Guatemala</i> Biodiversity of Guatemala and the importance of participating in the barcode of life
4:45-5:00	Lucia Paiz Medina , <i>Universidad Centroamericana</i>
5:00-5:35	Daniel Janzen , <i>University of Pennsylvania</i> Barcoding a very complex tropical trophic web
